

Hi Jennifer,

Thanks again so much for watching Macy! I would LOVE to write you a testimonial!

"I am so happy with my decision to use Newport Nannies last week while in town for a friend's wedding. I am from Texas and had to seek care for my daughter without having the luxury of meeting caretakers in person prior to our arrival. The hotel where we were staying as well as the reservation service we used to book our trip both recommended Newport Nannies. As soon as I contacted Jennifer, she was professional and responsive. I liked the fact that she sent a contract outlining her exact duties, and that she called ahead of time to confirm all information. Once Jennifer arrived, it was apparent that she loves children. My daughter warmed up to her right away. It is a shame I don't live in the area or I would steal Jennifer full-time!"
